

SENIOR CIVIL ENGINEER/TEAM LEADER CHRISTCHURCH

Maven is a multi-disciplinary national Civil Engineering company. Due to growth and team expansion, we are looking for a capable and motivated Senior Team Leader to join our Christchurch office.

This role will have you managing a team of engineers and managing projects by providing full consultancy services for civil engineering projects including: initial feasibility/concepts through detailed design, tendering, construction and practical completion, including client and contractor interaction. We will also be looking for skills in project management, quality control, workload planning and in-depth technical expertise.

You'll be well rehearsed in infrastructure design, roading, water, stormwater and wastewater. The type of projects is wide ranging from large residential developments, to commercial sites and large-scale engineering projects. We are looking for someone who can work in a dynamic and energetic environment.

WHAT WE ARE LOOKING FOR:

- 7+ years' Civil Engineering experience
- Experience in project managing medium to large land development projects (start to end)
- Advanced user in AutoCAD Civil3D
- Strong English communication skills, both written and verbal
- Fully understand construction contracts specifically NZS3910
- Ability to manage time effectively and take control of your own workload and projects
- Collaborative team player and leader

WHAT WE CAN OFFER:

- You will be mentored by chartered engineers
- Support to attain professional registration (CPEng)
- Career growth within the business and to further develop your skills
- competitive remuneration package
- Great work atmosphere and the opportunity to work on a variety of high-profile projects

To succeed in this role, you will need a minimum of 5 years NZ consultancy experience in civil engineering and have a BE (Civil) or similar. Prior team leadership experience is desired but not essential.

Due to Covid-19 border restrictions, only NZ permanent residents and citizens will be considered for this role.

If you are looking to progress your career with the opportunity to up skill, then contact Catherine for a confidential chat or send expressions of interest with a CV to catherinel@maven.co.nz
