

SURVEY GRADUATE/SURVEY TECHNICIAN TAURANGA

We are looking for a Survey Graduate or Survey Technician that demonstrates initiative and efficiency to assist our busy Survey team in Tauranga.

Maven BOP is a growing Surveying, Civil Engineering and Planning firm with a wealth of industry knowledge, with a broad variety of projects. We encourage creative thinking and innovation and a focus on exceptional results for our clients.

THE IDEAL CANDIDATE WILL HAVE:

- A minimum of 3 years experience as a Survey Graduate or 5 years experience as a Survey Technician
- Ability to undertake cadastral surveys with accuracy and efficiency
- Proficiency with Landonline, 12d and CAD software
- Proficiency with GPS and Total Station
- Reliable, with good observation skills and attention to detail
- Show initiative and have good communication and problem solving skills
- A good level of fitness
- Able to work as a team or autonomously as required
- A NZ Drivers licence and ability to drive a manual vehicle
- Eligibility to work in New Zealand

WHAT WE OFFER:

- Competitive remuneration based on skills and experience;
- Great work culture and the opportunity to work on a variety of projects and skill development opportunities within the various aspects of land development.
- Opportunity for ongoing learning and career development.

Due to Covid-19 border restrictions, only NZ permanent residents and citizens will be considered for this role.

If you are looking to progress your career with the opportunity to up skill, then contact Catherine for a confidential chat or send expressions of interest with a CV to catherinel@maven.co.nz
